AY IT WITH

WISDOM

An idea from Aristotle, a formula from Einstein. . . Knowledge at its best. Some say that to learn by doing is how to acquire knowledge. Others say it is to listen to those that know. At SW you take in both aspects of acquiring knowledge and wisdom: by doing chemistry experiments; interacting with other students; listening to your parents, teachers, and counselors. All will provide you with valuable advice you need for the present and for the future. The knowledge that you acquire in school and at home, and knowing how to apply this knowledge is to have wisdom.

Wisdom is the right
use of knowledge.

Charles H. Spurgeon

True wisdom is acquired
by understanding one-
self.

Felicia Taylor

Not where we stand, but

AY IT WITH

*D*IGNITY

The admired George Washington, the respected Martin Luther King, Jr. . . Renowned men of dignity. The ability to acquire admiration and respect is no easy accomplishment. Events throughout history have given us people of great stateliness and integrity. There are also many who acquire distinction within our own surroundings: the caring teacher, the student who brings honor to the school, and the parent who is the source of encouragement and guidance. These people enhance the teaching of self respect and esteem, which are found every day at SW.

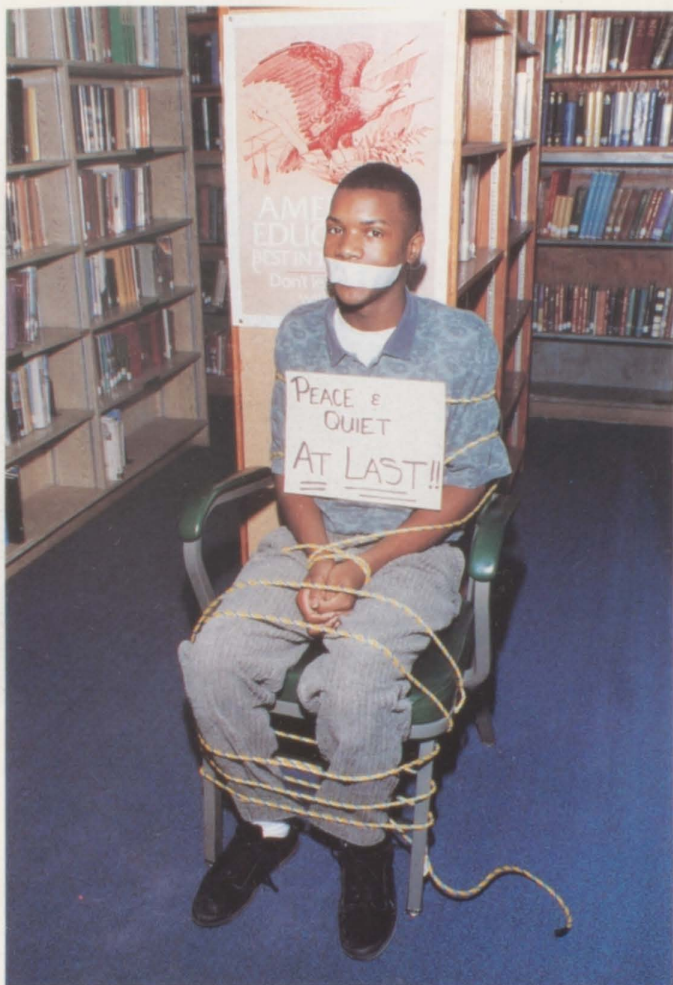

AY IT WITH

*F*EELING

The tenderness of Mother Theresa, the love of Romeo and Juliet... Personalities of affection. Experience creates a multitude of feelings and emotions in our lives. The ability to express our innermost thoughts with compassion and understanding can create an atmosphere of gratification to oneself and to those with whom we have contact. Some experiences result in excitement while others may bring a lump to the throat. During our years at SW we have experienced thrilling triumph; defeat; and the consoling words of a counselor, teacher, or a friend.

The deepest feeling al-
ways shows itself in si-
lence.

Patriot Pride

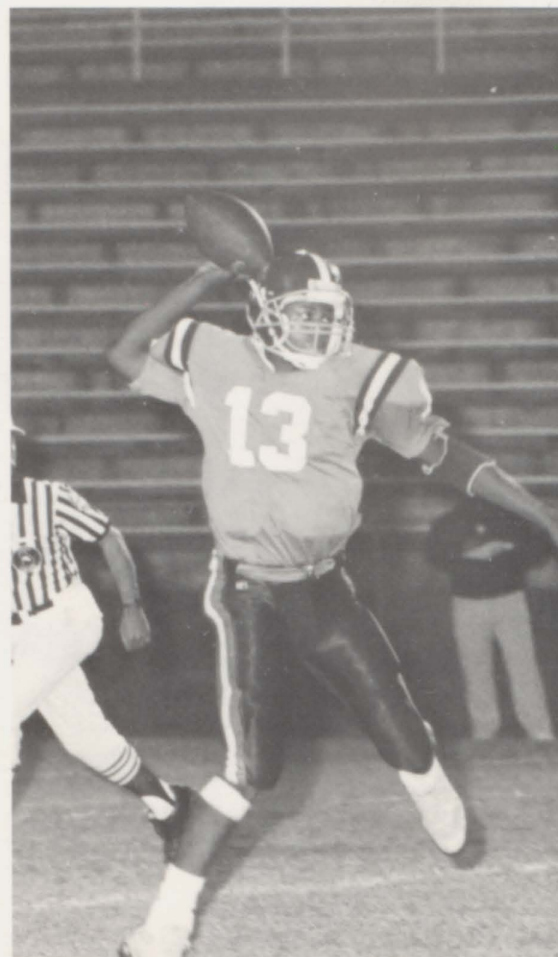

This past season was not a physically good year for the Southwest Varsity football squad. Most record keepers would probably consider the 91-92 football season as being a losing one, but not the students, faculty members, and team members of Southwest High. The Patriots amazed crowds week after week as they relentlessly led assaults on opposing teams. The team, led by only a handful of skilled seniors, never gave up. They were always walking proudly away and never lowering their heads to even give a hint of a defeat. Not to mention the exceptional job on the part of the coaching staff in keeping this year's team attitude positive.

A team's record may say a lot about that team but it can never even begin to tell the true story of how courageous this young and small team really was on the field. Nevertheless, our Patriots overwhelmed several teams along their way in attempting to better themselves and

represent Southwest High School with dignity and pride. This young and courageous group of "Minutemen" gave patriot fans a whole lot of something to cheer about as they rallied over Evans in a 21-0 assault at homecoming.

The coaching staff is looking forward to next year, as they are expecting a lineup of experienced and well-rounded individuals to present to Patriot fans a great year of Southwest football.

City Champs One More Time!

The Southwest B-Team football squad had an outstanding season. This talented and hardworking group of young men, led by experienced coaches such as **Albert Sharpe** and **Iris Hill**, went undefeated and captured the City-Championship for the second year in a row. The B-Team began the year with a hard fought victory over Northeast. It was a rainy day, just typical for a group like this to hang in and defeat N.E. by a score of 6 to 0. This was an opening debut in which the team finely displayed their goal fulfilling ability. The next team which fell victim to the squad was our city rival, the Central Chargers. The Patriots walloped the Chargers in a thrilling 14 to 0 victory, that set the pace in which the Patriots kept all year. The group went on to defeat two more teams, ending the year 4-0, and sweeping the championship.

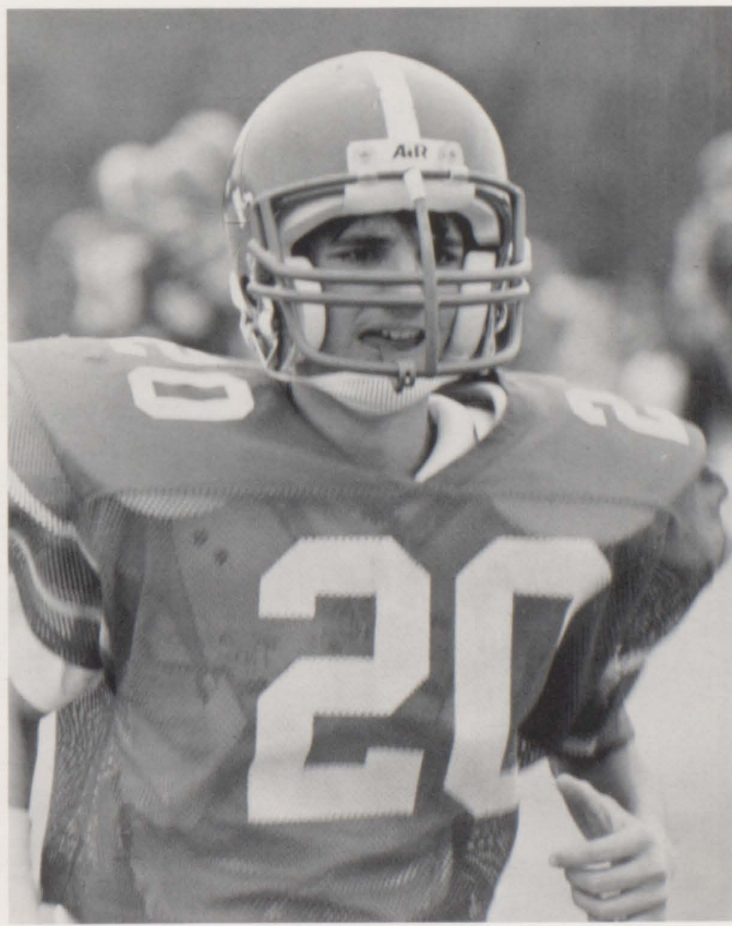

This year the Ninth Grade team also had a goal fulfilling year. The

team, coached by **John Mathews** and **Haywood Simmons**, defeated Northeast twice with scores such as 6 to 0 and 24 to 6. Further into the year the squad tied Houston Co. in a close game which had Patriot fans on the edges of their seats. The gang ended the season with a final record of 2-2-1.

SOFTBALL

Spectacular!

This year, Coach **Dannah Graham** and the young Lady Patriots had a challenging season. Mrs. Graham coached her team to a spectacular season despite the loss of many top players from the 1991 softball squad. This year's dedicated performances promise a bright future for Mrs. Graham's young team.

The following Lady Patriots were recognized for their exceptional achievements: Most Spirited- **Laurie Smith**; Best Offensive- **Sabrina Nelson**, Best Defensive- **Amy Copeland**; Most Valuable Player- **Felicia Collier**; Best All-Around- **Mandy Lindsey**.

WRESTLING

City Champs

The 1992 Southwest wrestling team had a good season as they wrestled their way to a 9-6 record and the City Championship. The team was short of experience as there were only two returning seniors **Brad Simmons** and **Shay Hatcher**. The squad finished 3rd in the *Southwest Invitational Tournament*, 4th in the Area Tournament, and 24th out of 72 teams in the State Tournament. Coach **Danny Grube** says next year's team should greatly improve as twelve members are returning. Among those returning are Juniors **Derrail Ford**, **Tim Gordon**, **Joe Harden**, **Tim Hicks**, and Sophomore **Bennie Smith**.

Swint.

BASKETBALL

Against All Odds!

The inexperience of the Lady Patriots caused a great many problems for the team. With only one returning starter from the previous year the odds were definitely against the Lady Pats. The team finished the season with a 1-17 record. The record doesn't show that many of the games were extremely close — some lost at the buzzer and even one in double over-time. Retiring head coach **Albert Sharpe** says he was proud of this team because "they never quit." Sharpe was assisted by **David Reid** and **India Cater**. The Lady Pats were led by Seniors **Tiffany McKinney** and **Tricia Jarrell**, Juniors **Asa Grant**, **Shantelle Oliver** and **Renina Jordan** and Sophomores **Sabrina Nelson** and **Tamika Clark**. With a majority of the team returning next year the prospects are very promising.

Oliver brings the ball down court. Serious talk in the huddle.

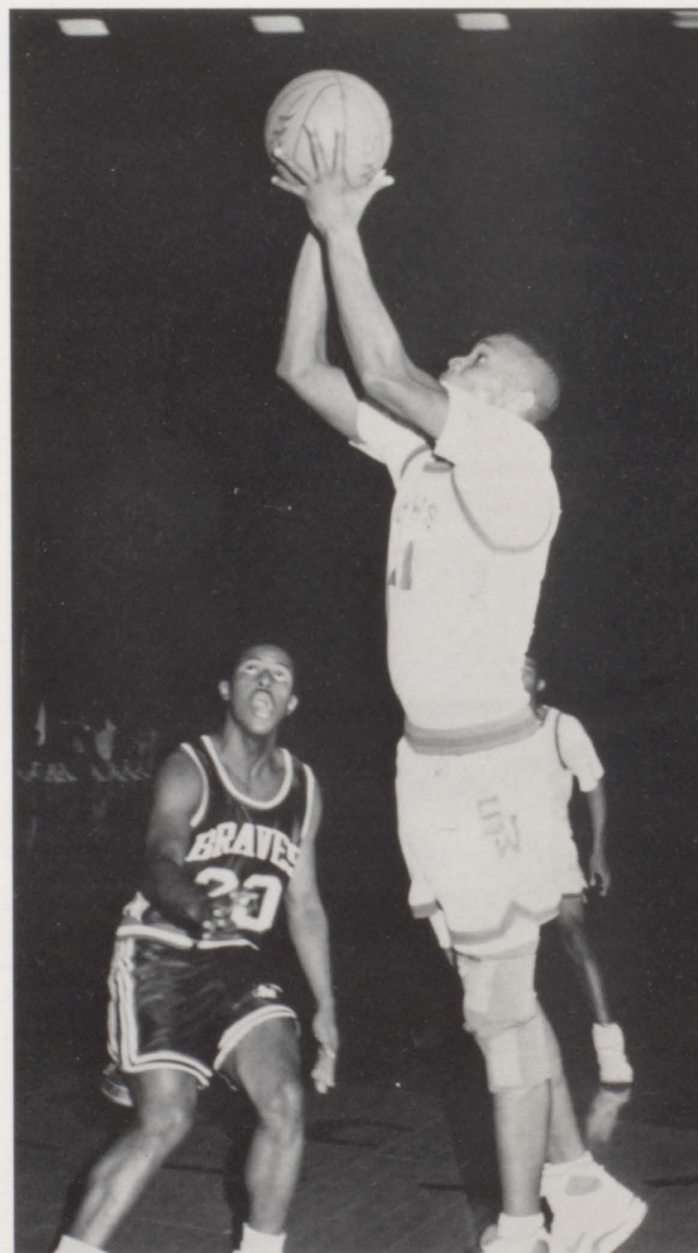

Tradition Upheld Under New Leadership

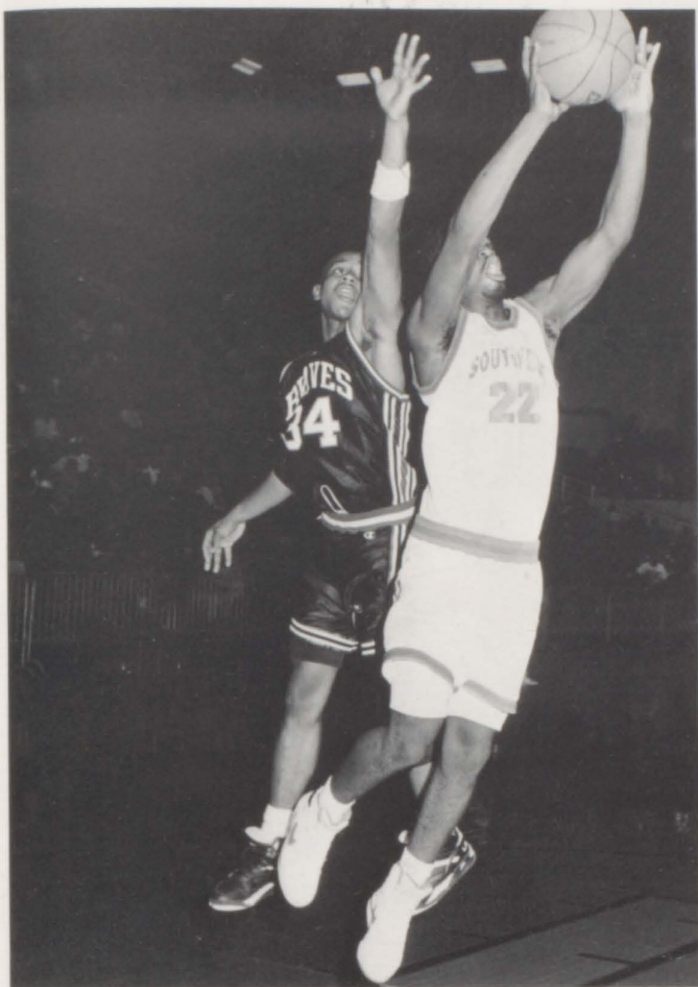

The winning tradition of Southwest basketball is known throughout the country. This season was no exception. With only three experienced players returning from last year's squad, the young, but talented Patriots upheld this tradition. Under the leadership of new head Coach **Clyde Barden** and Assistant Coach **Ronald Taylor** the Patriots finished the season with a 20-5 season. They started off the season by compiling an 8-0 record before losing their first game to LaGrange in the CITGO Christmas Tournament in Griffin, Geor-

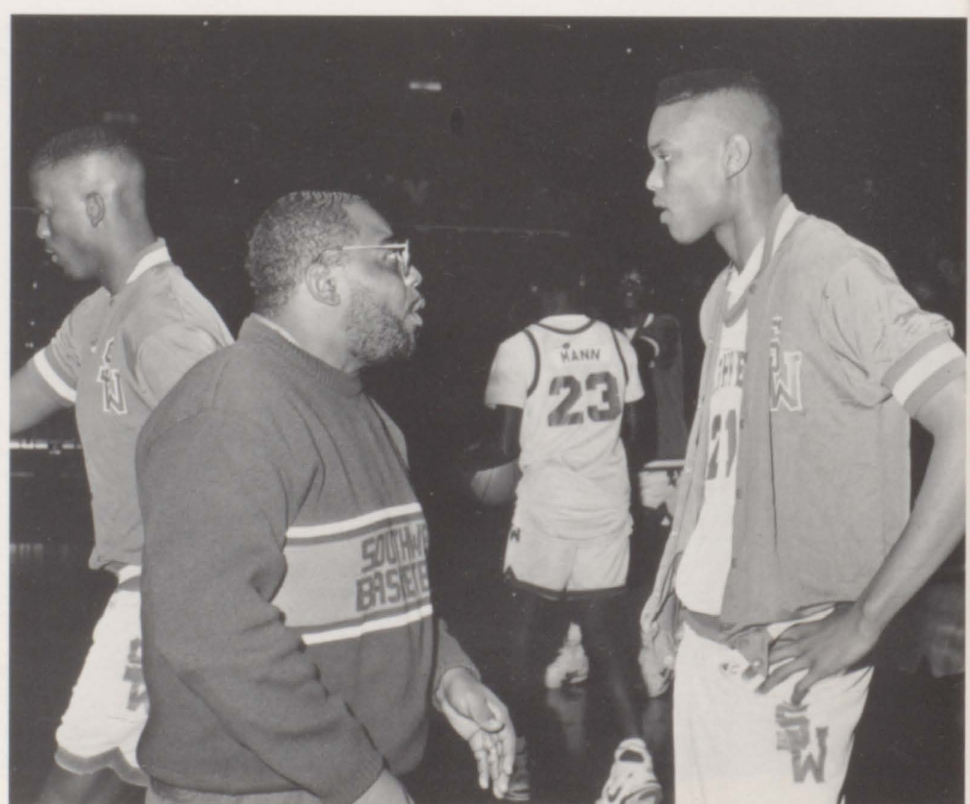

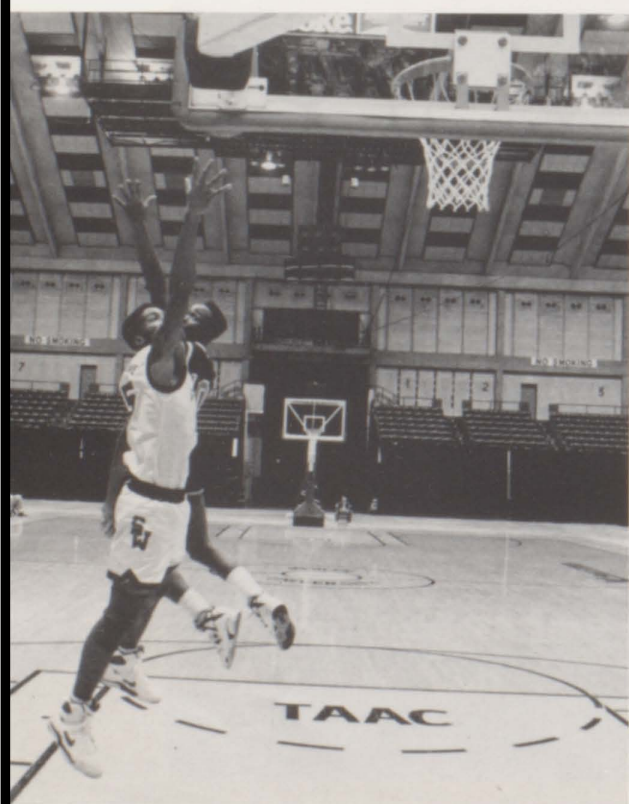

gia during the Christmas holidays. After the Christmas break the team continued their winning ways earning a 15-2 record before losing to Northeast 31-33 in late January. Going into the Sub-Region Tournament the Pats were 18-4. They defeated Northside in the opening game 68-52 and won the Sub-Region Championship in a double overtime victory 72-70 over Baldwin Co. In the semi-final game of the Region Tournament in Augusta, the Patriots lost a heart breaker to Northeast 44-46. This loss kept the Patriots out of the

State tournament for the first time in 12 years. Even though the team lose four outstanding players, they will be forced to content with in the 92-93 season.

Talented Players Lead Patriots

The 1991-92 Southwest team had a quartet of talented seniors that provided the Patriot fans with some exciting basketball. The leading scorer for the Patriots was **Chris Robinson** with 18 points and 8 rebounds per game. **Chris Collins** and **Patrick Smith** each added 10 points per game. Mid-way in the season **Tim Green** became a valuable player coming off the bench to average 7 points per game. Juniors **Nicholas Hargrove** and **DeWayne Davis** averaged 10 and 8 points respectively. These two players are expected to form the nucleus for next year's team.

Rewarding the Best

It was an evening of reminiscing during the Southwest Boy's Basketball banquet at the Ramada Inn. The master of ceremonies was **Bobby Jones**, a long time friend of Southwest basketball. Plaques were given to **Mrs. Odom, Mrs. Wilder-Hood, Mrs. Black, and Mrs. Simmons** in appreciation for their assistance during the season. For her 12 years of dedicated service to Southwest basketball the senior players presented **Ann Fugate** with a special award. The team presented Coaches **Clyde Barden** and **Ronald Taylor** with appreciation plaques. The following players were presented awards: *Coca-Cola Golden Basketball for Player of the Year* — **Chris Robinson**; *Best Defense* — **Chris Collins**; *Most Versatile* — **Patrick Smith**; *Best Hustle* — **Tim Green**; *Most Improved* — **Nicholas Hargrove**; *Most Academic* — **Shedrick Clark**. Collins, Robinson, and Hargrove were recognized for being named to the *All-City Basketball Team*. Robinson was named to the *Georgia North-South All-Star* and *Georgia-Tennessee All-Star* teams, and has signed to play at Western Kentucky. It was also announced that Smith signed to play at Macon College.

Future Stars

The Junior Varsity and Ninth Grade Basketball teams are the future stars on the court for Southwest. The JV boys were coached by **Ronald Taylor** and finished the season with a 7-3-1 record. The girls, coached by **India Cater**, were not as successful ending with a 2-8 season. Under the direction of **Earl Robinson** the Ninth grade boys compiled a record of 10-1 and captured the City Championship. The girls coached by **Harvey Appling** had a 1-9 record.

Promising Future

The Southwest Varsity Baseball Team ended a relatively good season with an overall record of 10-7 and 6-4 in the Region. **Coach Edgar Hatcher**, who is in his fourth year as head coach said for being a young team they did a great job and expects next year to be better.

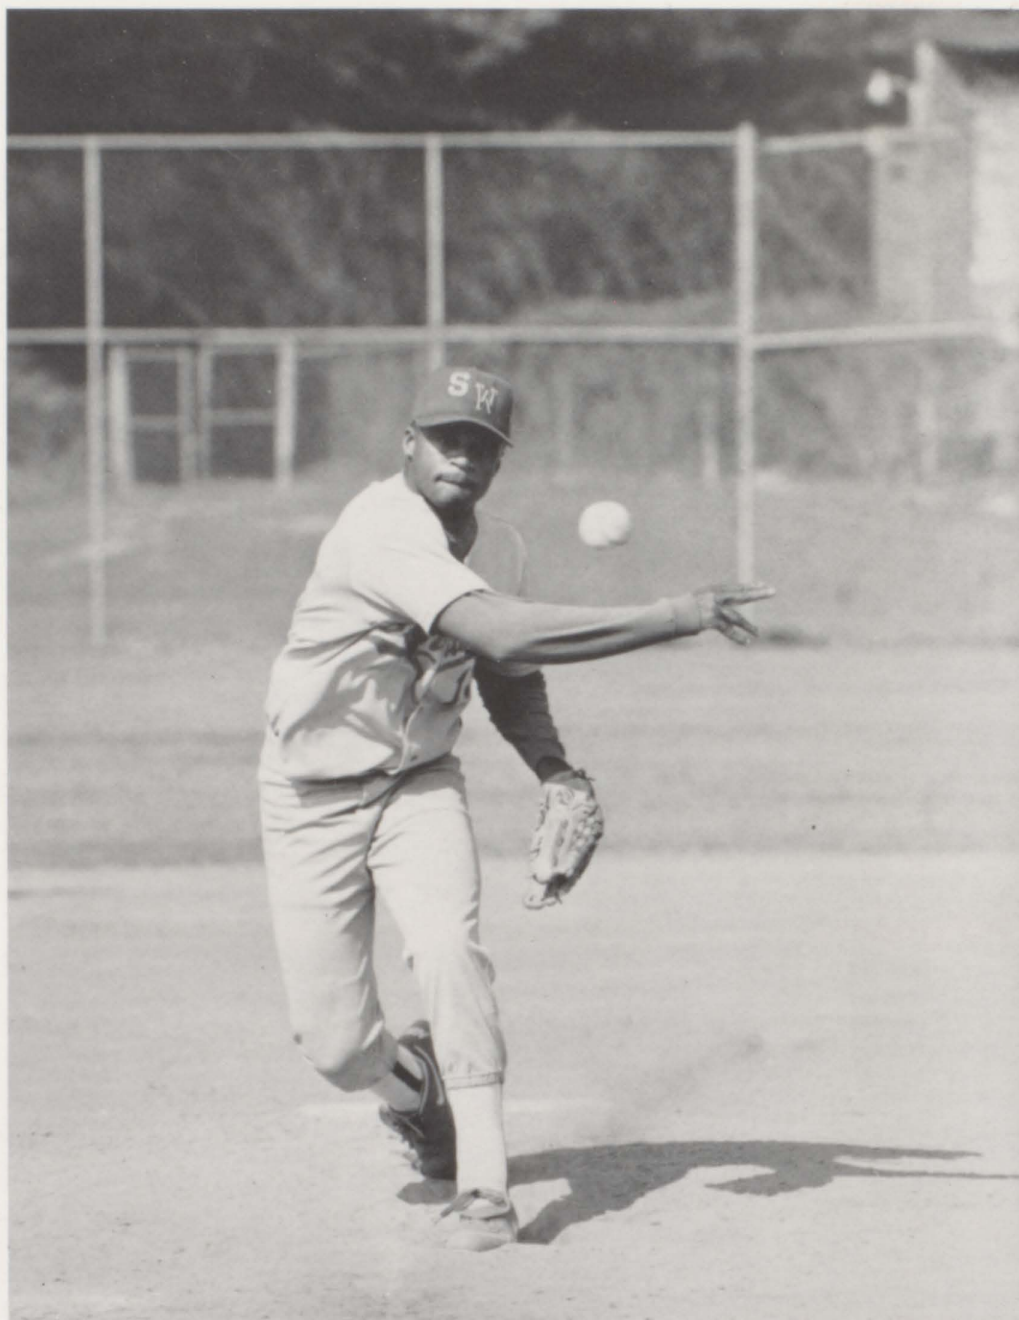

Tim Hicks, who is only a junior, had another solid season for the Patriots. Tim, who plays shortstop and occasionally the outfield, batted .468 with 7 homeruns and 32 runs batted in. He pitched nearly 50 innings with a 5-3 record.

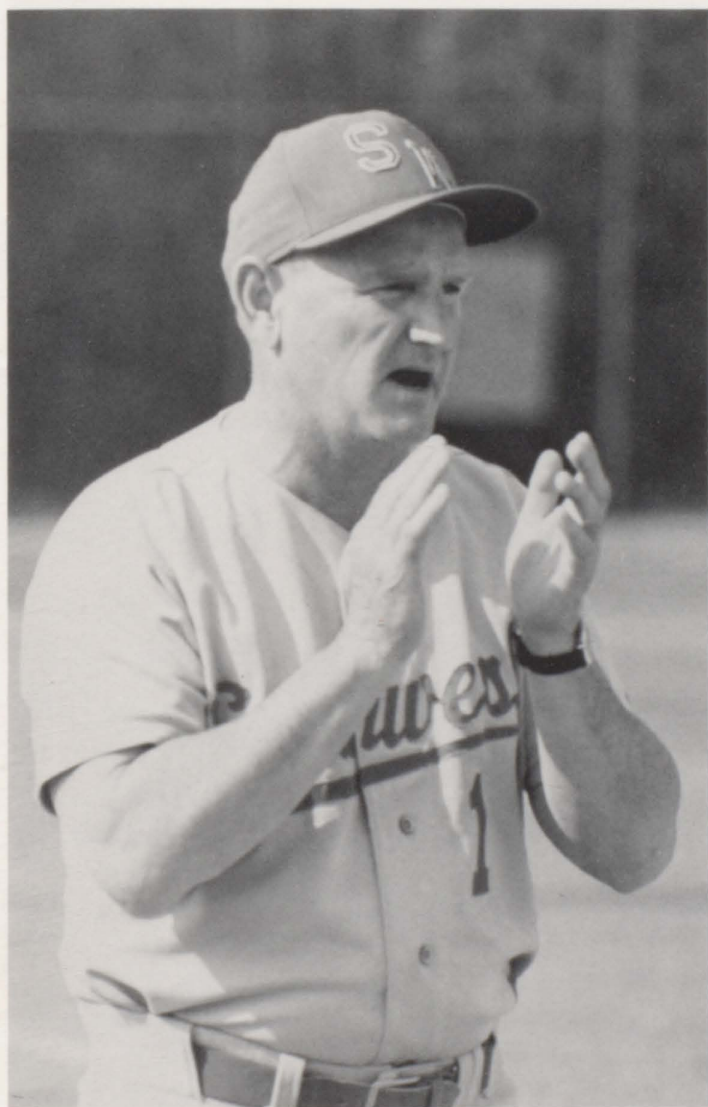

Players who had good years for the Patriot team: **Brad Simmons**, senior, batted .355 and **Tarik Goff** had a .362 batting average, with 6 homeruns and 32 runs batted in. Other players who helped contribute to the team's success were **Charles Halligan**, **Stacy Little**, and **Todd Walker**. Over the course of the season, the Patriot baseball team had a lot of close games and big region wins. The team picked up their first region win with a 6-2 victory over Northside. Tim Hicks pitched a complete game allowing only 4 hits.

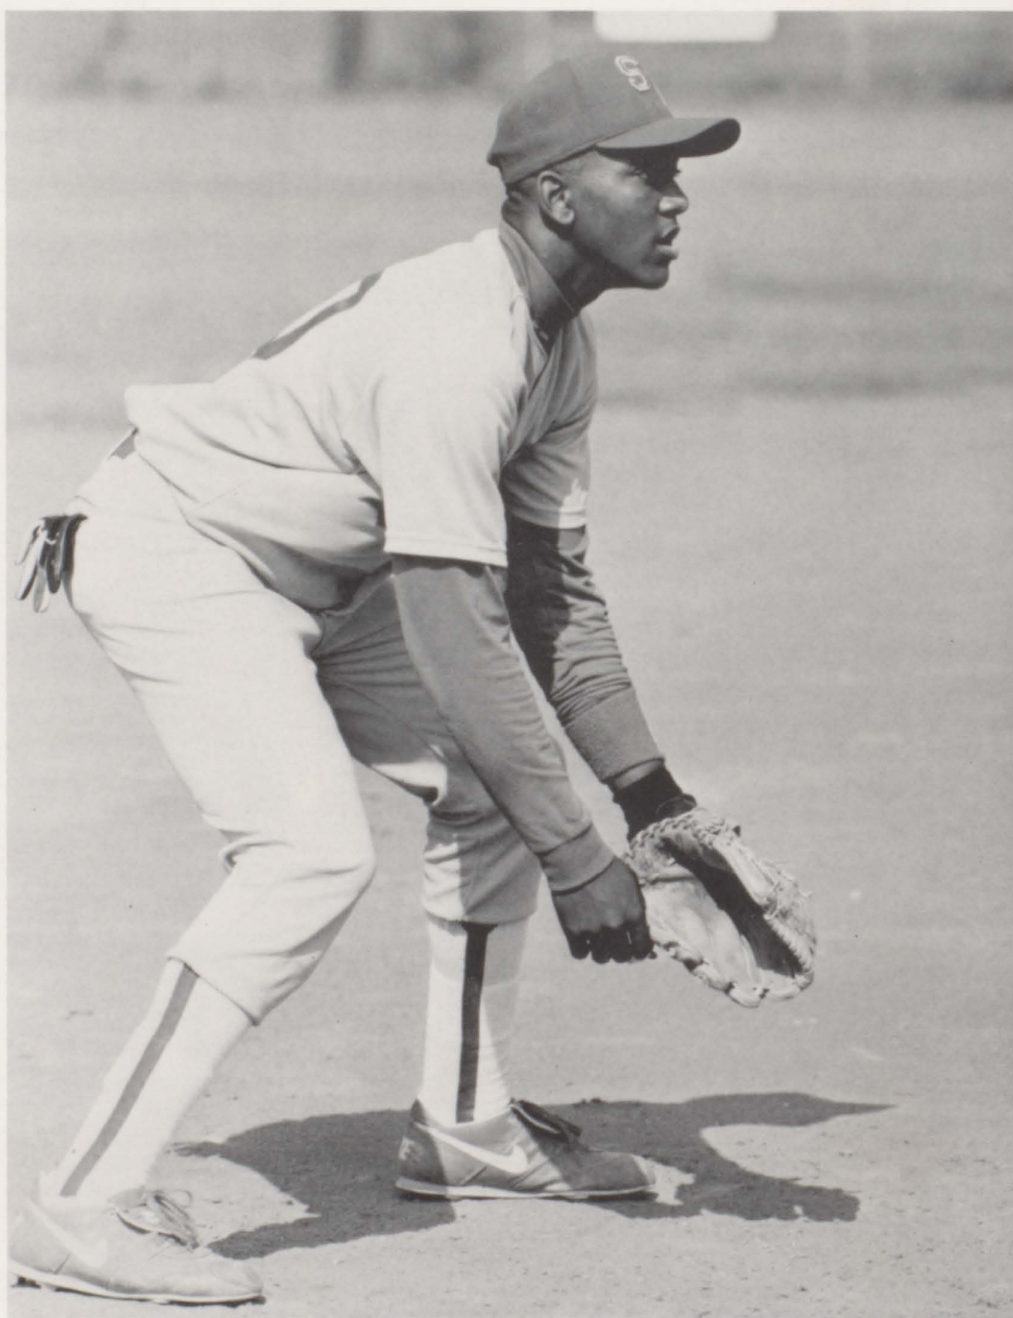

On March 27, the team beat Northeast 8-6. On that day, the Patriots hit 3 homeruns as they piled up 10 hits overall. Todd Walker picked up the victory that raised his record to 2-0. The next day Clarke Central, a team from Athens was the Patriots next victim. On just 8 hits the team scored 14 runs.

At the end of the regular season, Southwest was tied with Northside. In the playoff game Northside defeated the Patriots thus ending their season.

Upcoming Talent

The Southwest 1992 Junior Varsity team is a stepping stone for the chance to play on the Varsity team. For the most part the team played hard, ending their season with 6 wins, 2 losses, and 2 ties. Coached by **John Mathews**, the team consisted mainly of ninth graders with a few tenth graders rounding out the roster. The young team members gained experience and valuable playing time which is necessary for their upcoming Varsity years. Over the course of the season, the team played against their traditional rivals of Central, Northeast, Warner Robins, and Clarke Central from Athens. The players showed excellent teamwork ability with their victories.

Drives and Putts

Golf at Southwest has not been a dominant sport, but the players who do participate give it their best effort. This year the team had some exciting matches as they greatly improved their golfing skills. Consisting of four seniors and one junior the team finished with a 3 — 2 record. The number one player for each match was determined by the low score of the player from the previous match. Coach **Richard Plagge** hopes that more boys and girls will show an interest in golf in the future and help build up the sport at Southwest.

TOP: Golf Team: Coach Richard Plagge, Brad Simmons, David Williams, James Reynolds. **BOTTOM, LEFT TO RIGHT:** Team members James Stiles and Andy Clark pose before a match. James Stiles lines up a putt.

TRACK

Working Hard

The Southwest Girls' Varsity Track team had a good year and **Coach Albert Sharpe** said the team performed as well as expected. The team was very competitive during the year. Coach Sharpe was hoping that the relay team would qualify for the State, but was unable to, but he felt they could have gone a long way if they qualified. Some of the girls who had a productive season are **Nikki Johnson, Octavia Johnson, Keisha Glover, Latarsha Hill, Karla Rhyne, and Tricia Jarrell.**

Teamwork

The Southwest Boy's Track team coached by **Clyde Barden** had a relatively good season. Barden said he was pleased with the overall performance of the team. Southwest sent several representatives to the State Tournament. **Airrion Mallory**, a senior, finished fourth in the 400 meters race and also competed in the long jump. The Mile Relay team also qualified for the State. The team consisted of **Javar Ellington**, **Michael Poole**, **John Mann**, and **Airrion Mallory**. SOCCER

Real Football

The 1991-92 Southwest Soccer team had a difficult season this year. They played a tough schedule with relatively few experienced players. They finished the season with a record of 3-7. Southwest was victorious twice over the Panthers of Perry High School. With the brilliant play of **Keith Smith** and **Jeffery Wilder** Southwest defeated the Panthers 4-0 and 5-0. Coach **Robert Fightmaster** was very supportive of the team and looks forward to a more experienced team next year.

TENNIS

Against the Odds!

The 1991-92 season was a tough one for the inexperienced tennis teams at Southwest High School. Both this year's boys' team, as well as the girls' team, played well against the odds. The boy's tennis team ended the season with a 6-2 record while the girl's team finished 1-7. Coach **Iris Hill** says she expects great things from these young players in the future, particularly freshman **Ginger Wilder** and twins **Michael** and **Victor Belarmino**, as well as junior **Inga Harmon**. Hill said both teams are very young, but both have promising futures.

They received numerous ribbons and trophies for cheerleading excellence. The SW squad won the coveted "Spirit Stick" and Leadership Awards. **Bronwyn Jefferson** was chosen for the *All-American Cheerleading Squad* and performed in the New Year's Day Parade in London, England.

Outstanding Year

The Southwest Junior Varsity had an outstanding year! They cheered Southwest's B-Team football players onto a glorious winning season. The Patriot girls had an exciting week at the Universal Cheerleading Association Camp at West Georgia College. They received a number of ribbons of excellence and second place in the dance competition. The squad was under the leadership of **Pat Jackson**. The girls really worked hard to have an outstanding year.

Although the Ninth Grade cheerleading squad had a late start they weren't deterred from showing their Patriot spirit. The squad, under the direction of **Kristen Brewer**, worked hard after school to learn cheers and chants to inspire their team to a victory.

DRILL TEAM

Excitement

For the first time in six years Southwest has had an outstanding drill team. Led by **Gregory Cubit**, and co-captains **Bridget Durham**, **Chiquita Gosha**, and **Lashandia Griffin**, the drill team performed during pep rallies and basketball games. Bursting with enthusiasm and spirit, we hope that this group sticks around!

Fun in the Sun

The All Sports Picnic sponsored by the Pep Club was held on May 26 at Lake Tobesofkee. This annual event honors all athletes, coaches, and cheerleaders. The coaches arrived early, fired up the grill and cooked hotdogs and hamburgers for everyone. After devouring all the goodies, trophies and awards were presented. The awards were made to those who participated in wrestling, baseball, track, soccer, tennis and golf.

This year the Pep Club, under the direction of **Geraldine Dumas**, honored **Ann Fugate** and **Albert Sharpe**. They were presented gifts by the Pep Club in recognition of their service to Southwest. Both of them are retiring this year and will be missed at Southwest.

SW Leaders Say It With Spirit

The ones who lead the spirited Southwest Patriots get into the spirit and are ready to fight. Complex Principal **Dr. Columbus Watkins** is always on top of things, that is, when he's not out shooting the hoops. You can't outsmart Willingham A Principal **David Reid** at school or on the courts. Another administrator that keeps Southwest High in spirit is **Mrs. Jackie Richardson**, Associate Principal of Instruction, who really pumps up our school spirit. Our other pro-athletes include: **Jesse Mays**, Willingham B Assistant Principal, who can always slug a homerun; **Bill Boyd**, Assistant Principal, who never fumbles in work or play; and last but not least Director of Vocational Education, **Charles Rogers**, the tennis star.

Our administrators work really hard to ensure that things are running very smooth and efficiently. Many students don't realize how much pressure is put on the administrators each day they are at school. Even with all the responsibilities these leaders have, they always seem to make sure Southwest is successful in all that we do. Our administrators always say it with "pride" when it comes to Southwest High School.

TOP, LEFT TO RIGHT: Dr. Watkins ready for the hoops. Mr. Reid is "in the swing" of things. **MIDDLE, LEFT TO RIGHT:** Mrs. Richardson pumps up the spirit. Mr. Rogers is ready and waiting. **BOTTOM, LEFT TO RIGHT:** Mr. Boyd is ready for the "big" time. Mr. Mays looks ready for the majors.

Opposite Page Charles Rogers, director of Vocational Education; Jesse Mays, Willingham B Assistant Principal; Dr. Columbus Watkins, Complex Principal; David Ried, Willingham A Principal; Bill Boyd, Assistant Principal of Willingham A; Jackie Richardson, Associate Principal of Instruction.

Fancy Feet!

"It's Disgusting — probably sinful," says **Ms. Virginia Phillips** of her collection of over 100 pairs of shoes. Ms. Phillips, collecting shoes since 1962, says that she has not yet accomplished her goal of having more than **Imelda Marcos** (who had over 3000 pairs). Her shoe collection ranges from hunting boots to her favorite pair of forest green heels.

Ms. Phillips' children are forced to pull her away from shoe stores, yet she says she still feels a bit guilty when she thinks of those who have no shoes. "I think it's an addiction. I had to wear special orthopedic shoes when I was little and I decided if I ever got out of them I would have lots of choices." That's exactly what she did. Not to worry though, Ms. Phillips says she has gotten rid of about 10 pairs, yet, only to make space for "new ones".

Suits Her To A "T"

"I didn't consciously start collecting them. I just keep buying them," is what **Ms. Bitsy Phillips** says about her collection of over five-hundred T-shirts.

Ms. Phillips says t-shirts interest her because "They're extremely comfortable, reasonably priced, you can usually find them everywhere, they're easy to care for, and they're also good conversation pieces." She collects T-shirts for everything she likes; including motorcycles. Whenever she finds a Harley Davidson T-shirt, she buys it to appease her desire. "I have shirts from any music concert I go to; or any city, country, or historical site I visit; plays, fundraisers, special events, hotels, bars, beer I like, anything or anybody I like who makes a T-shirt - I will buy it!"

Teacher In A Half Shell

When asked how many turtles she has, **Mrs. Eloise Black** said, "I am guessing somewhere between 500-1000. I really haven't counted them."

She first began collecting turtles in 1975 because it was her sorority mascot. The first turtle she received was a necklace with the Delta Zeta symbol in the center. The oldest turtle she owns is a pair of turtle earrings with emerald eyes, given to her by her husband. Mrs. Black has also been a member of the International Organization of Turtles since 1975.

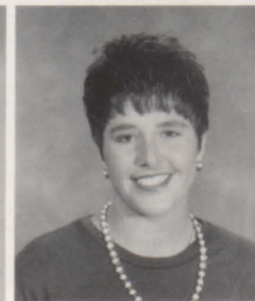

When Mrs. Black first began collecting turtles her friends would stop along the side of the road to pick up turtles. She would paint the top of the shell with fingernail polish and put it in her backyard.

The Art of Music

"I love teaching and working with young people. But, there is a part of me that expresses through music, mostly rap music." That is what **Mr. Gregory Cubit** says about his music hobby.

Mr. Cubit, who was inspired by the Sugarhill Gang, began working in music in 1986. From studio recording to being a D.J., Mr. Cubit has taken his hobby seriously. He hopes to enter the music industry as an artist/writer/producer. He is presently on a demo tape for himself and also for some local artist in the Middle Georgia area.

Mr. Cubit says he hopes to make a serious move into the industry and come back to help others. He would like most of all to be a positive role model to his audience.

Goodbye “409”!

If anyone has ever had **Mrs. Cynthia Warren-Ross** you may have heard her say “I run 409.” Not anymore, Mrs. Ross has now gone from English teacher to Motivational Counselor as you may already know.

Mrs. Ross says she was happy in the classroom, teaching English and that she has also loved working with young people; however, because of the many problems that youths are faced with, she decided to seek training in counseling. When asked which one she liked better, she replied, “I love them both. The two jobs actually work hand in hand.”

Mrs. Ross’s advice to a younger counselor is to try to be as real and up-front as possible and to always be honest.

Strikes and Spares

The name of the game is bowling and every Wednesday night you'll find **Ms. Ann Fugate** at the bowling lanes throwing strikes and picking up spares. "I started bowling to have some form of recreation and exercise. It was fun and I made a lot of new friends." She was elected to the Board of Directors of the Macon Woman's Bowling Association, and for the past 26 years has been Treasurer. In 1980 Ms. Fugate was named Macon Bowler of the Year and was inducted into the Macon Bowling Hall of Fame. "I've gone to 16 Women's International Bowling Tournaments" says the avid bowler. "I enjoy the trips because it gives me an opportunity to see the marvelous sites in the United States."

Keys To Success

As a professional pianist, a collector of minatures pianos, **Mr. Dale Gonzalez** is never bored. He has been playing the piano for about twenty years. Before he began taking lessons he could play a little by ear, and on April 14, 1970 he had his very first piano.

Mr. Gonzalez says that he was inspired by many artists such as Roger Willams, Ferrante and Teicher, Marvin Hamlisch, Victor Borge, Ruth Laledo, Liber-

ace, Billy Joel, and Vladimir Ashkenazi. All of which he has seen live with the exception of Vladimir Ashkenazi and Billy Joel.

Mr. Gonzalez's miniature pianos are made of various materials including: porcelain, wood, lucite, tortoise shell, metal, stone, sterling silver, glass, and diamonds and gold.

“Food” for Thought

Our lunchroom staff works very hard to ensure that the students at Southwest are well fed and ready to learn. Not only do they provide us with a well balanced lunch, but a nutritious breakfast as well. In order to do so, they must also arrive at school as early as 6:30 AM every morning to begin cooking a healthy breakfast for those who do not have time to eat at home. Then, of course, the lunchroom staff must diligently begin to cook up lunch for 1500 hungry mouths.

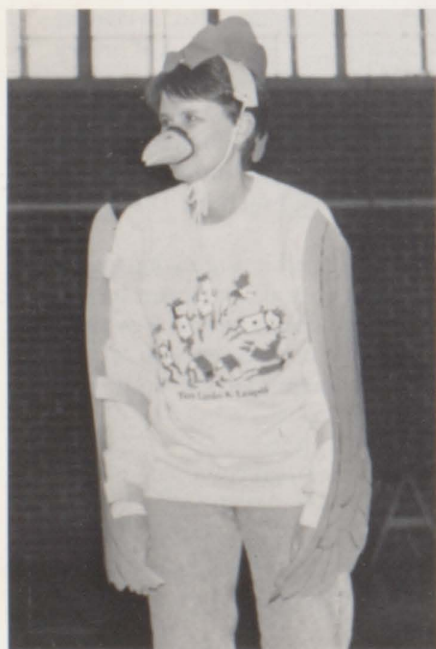

Being responsible for making sure that the students at Southwest have a well balanced diet is not an easy task; therefore, the lunchroom staffs should be commended for a job well done.

Christmas Frolic

As a Christmas tradition at Southwest, the faculty has always delighted the seniors with their version of the *Twelve Days of Christmas*. **Sheila Bell** and **Geraldine Dumas** began the show with their musical rendition of the song. As each day was introduced in the song, characters portraying the day would appear from behind closed doors in the gym. The gym shook with the loud roar of laughter and whistles as each character appeared. The Cast of Characters were: *Singers*-S. Bell, G. Dumas; *Partridge in a Pear Tree*-I. Hill, V. Phillips; *Turtle Doves*-A. Fugate, T. Norris; *French Hens*- S. Summers; *Calling Birds*-K. Cargill, B. Phillips; *Golden Rings*-K. Kapor; *Geese-a-Laying*- G. Bell; *Swans-a-Swimming*-G. Langley; *Maids-a-Milking*-B. Stewart, E. Stokes, J. Childers; *Ladies Dancing*-S. Hunnicutt-Childs, P. Vinson, C. Patterson; *Lords-a-Leaping*-E. Hatcher, R. Merchant, A. Sharpe; *Pipers Piping*- R. Taylor, C. Barden; *Drummers Drumming*-J. Mays, C. Watkins, J. Richardson.

TOP, LEFT TO RIGHT: Ms. Kpor helps Coach Hatcher stretch before his performance. Mr. Merchant shows Coach Sharpe the SW leap. Mrs. Bell is about to lay an egg. BOTTOM, LEFT TO RIGHT: Is this really what a Calling Bird looks like, Ms. Phillips? Mrs. Stewart is milking her cow! Ms. Hunnicutt-Childs gets down.

A strong bond links seniors **Amelia Cross** and **David Krumrich**: their fascination with art. Amelia has been drawing since she has been able to write. Not encouraged by anyone specifically, Amelia gives her mother credit for supporting her talents. She has won several awards and hopes to turn her passion into a career.

Also an enthusiast of drawing, David Krumrich's interests go beyond the easel. Talented in drawing, David is unique in his choice of collecting; skulls are his fancy, and he has collected 15 skulls of all kinds. David is definitely an artist of unusual taste.

She has really flipped!! Since the young age of seven, **Cindy Chapman** has aspired to be a great gymnast. She first became interested when she saw her father doing handsprings in the yard. After that Cindy decided to go to school.

Since then Cindy has competed in over fifty competitions and has won about 200 awards. She is a member of the U.S. Gymnastic Federation, AAY, and the Gym Nests of Macon. She has traveled to several cities such as: Houston, TX. (competed in Jr. Olympics); Hot Spring, AR. (won Arkansas Health Fest); Florida, Alabama, South Carolina, and Atlanta, GA. She won the Georgia State Championships Class III in 1988.

In Cindy's senior year, she had an injury and had to have reconstructive surgery on her knee, but she hopes to coach gymnastics and even participate in competitions again.

Vanessa Stamps is really "the cat's meow." She has been in love with cats since she was a little girl of five years.

Since the age of ten, Vanessa has collected over fifty cat items and has had eight live cats.

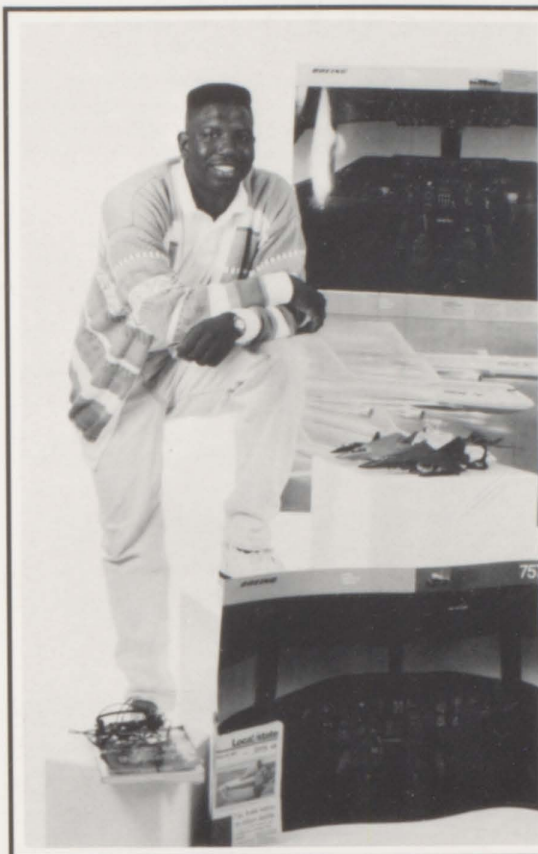

Vanessa has become a great lover of cats and wants to pass her collection on to her daughter, Chirlonca, when she is old enough to enjoy them.

SENIOR

TALENT

Chris Mulllis and Damiso Lamb both enjoy the martial arts. Influenced by his friend, Chris became interested in karate in 1985. It started out as something new to try but became much more. Since taking up the sport, he has collected several magazines and books, and participated in tournaments that have led to regional and state championships. Chris also gives demonstrations for various organizations.

Damiso Lamb became interested in the martial arts at a young age while watching "Kung-Fu Theater," with Bruce Lee serving as an inspiration. He has received several medals and devotes his time to teaching classes. Damiso hopes that one day he will own his own karate school.

Flying has been a passion of **Tim Clark's** since he was a child. While most kids wanted to be doctors, lawyers, and firemen, Tim wanted to be a pilot. In a year's time, he has collected seventeen model airplanes. Over a period time Tim hopes to increase this collection.

Tim is more than a collector of model airplanes; he actually flies them. He is a student at Flight South. By the time he graduates he hopes to obtain his private license.

Kevin Thomas and Rearcous Smith share a love of music. Kevin plays numerous instruments, such as: the piano, saxophone, oboe, bassoon, french horn and clarinet. In the band Kevin plays a different instrument every season: saxophone (marching season, spring concert), bassoon (Christmas), French Horn (spring festival).

Kevin was influenced greatly by his mother and 7th grade music teacher. He plans to learn how to play the trombone and baritone. He strongly believes that everyone should put their God given talents to use.

Rearcous Smith is very active in the performing arts, with performances of singing, dancing, and acting. He began singing at a very young age with his great-grandmother. Since his younger days, he played the leading role in the play "Purlie". He has also won several trophies for his singing talents.

Morp Is Sdrawkcab

Morp is prom spelled backwards, thus the "sdrawkcab dance." This year's Morp was as wild and wacky as ever. All who were present dressed "down" and had a great time. This has become an annual event sponsored by the Student Council. It is held after first quarter final exams to give students an opportunity to unwind. Students showed up in their wildest outfits and danced to music provided by **Greg Cubit**.

TOP: Students enjoying the free atmosphere. **MIDDLE:** M. Lindsey, W. Newberry, and T. Ragan strut their stuff on the dance floor. B. Veal jams with the beat. **BOTTOM:** K. Nelson has her a private dancer for the night. Mr. Cubit provides the music for the crazy night.

BAND

Steppin' Higher Than Ever

Under the leadership of **Oscar Jackson** the Southwest Marching Band still holds the title of the best marching band in town. They are the pride and glory of the many traditions at Southwest. The band's hard work started long before school opened. During the summer months, band members were at school braving the sun to prepare for the upcoming football season. Their hard work paid off with the presentation of three awesome shows at half-time performances. The Country and Western show was the hit of the year. Dressed in country and western outfits, the band danced to the music of many famous country and western tunes. This show brought the crowd to their feet with thundering applause.

After football season is over the band doesn't stop performing. In December the band traveled to Atlanta to march in the Christmas parade. Here too, they were greeted with enthusiastic applause and were also highlighted on television by the local broadcasters of WSB-TV. To help celebrate the holiday season the band held their annual Christmas concert at the December PTSO meeting. The highlight of the year was the invitation to march in the *Mardi Gra Parade* in Mobile, Alabama. They received the honor of being the lead band in the parade. Then came the *Cherry Blossom Parade* in Macon and the *Rose Parade* in Thomasville, Georgia. The band concluded their season with a successful first — an evening "outdoor concert" at the school. This was truly a year that proved the members of the Southwest Band were Steppin' Higher Than Ever!

Reid on trumpet plays the Star Spangled Banner while C. Jones salutes the flag. S. O'Neil and T. Gibson perform during the Country and Western Show. T. Dennis picks her leg up high as she leads the band.

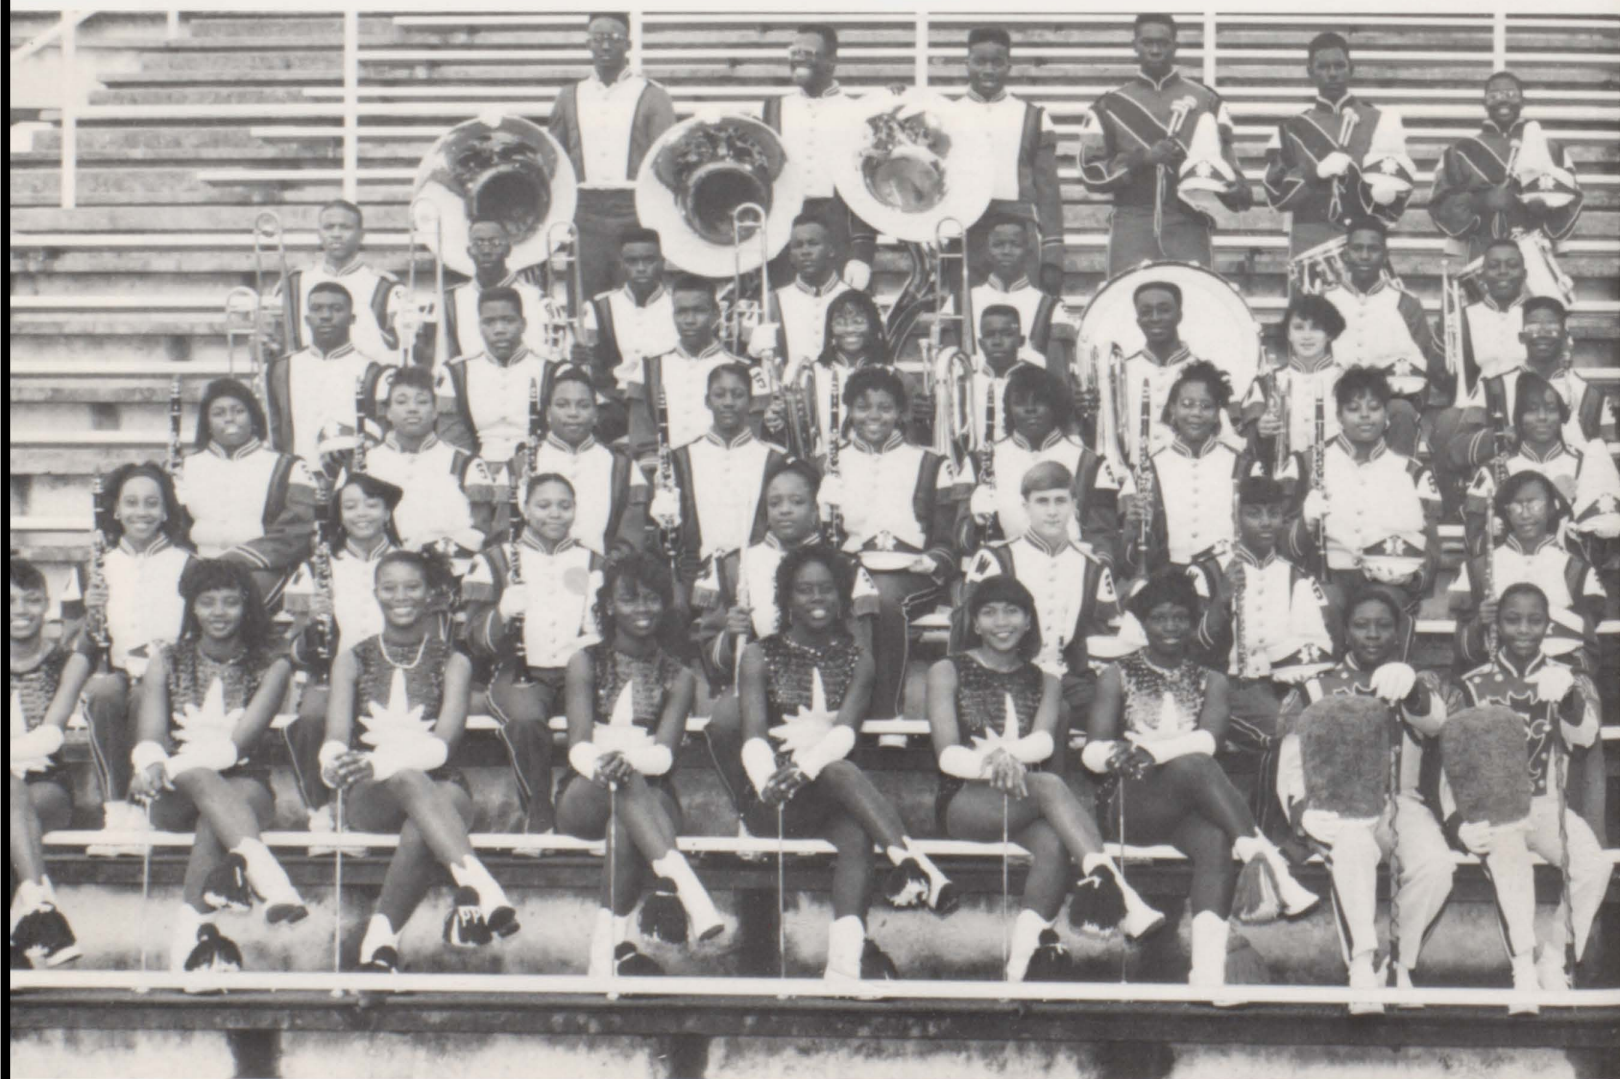

Leaders of the Pack

In every group there are leaders who work hard to make sure everything runs smooth. The band is no different. Band director **Oscar Jackson** depends on these young leaders to coordinate many band activities. **TOP, LEFT TO RIGHT:** *Drum Majors:* J. Daughtery, T. Harden, A. Glover, and L. SOUTHWEST

MARCHING BAND

JAZZ ENSEMBLE

Talent and Perseverance

The Southwest Jazz Ensemble under the direction of **Oscar Jackson** has always been known for their sweet music. Their renown reputation is the result of outstanding talent and perseverance. It is well known that the marching band works hard throughout the year, but less well known that the members of the Jazz Ensemble step and dance along with the other band members at all their performances. In addition, they played at nearly every middle and elementary school in the Macon area and several Southwest events. These events included the Yearbook Promotion Show, the annual Sweetheart Coronation, the Golden Eagle Awards ceremony, the Christmas concert, and the Spring extravaganza. At the ABAC Jazz Festival the group received a Superior rating. Receiving Superior ratings for their solo's were **Algernon Glover, Lance Reid, Charlie Danielly, Emmett Bivins, and Charles Lucas.**

STUDENT COUNCIL

Spirited Bunch

The Student Council is one of the most active organizations at Southwest High. Throughout the school year the Student Council does many activities in support of "Spirit" for the school, which includes the production of anything from banners for a ballgame, to activity calendars for the school.

Under the direction of the Student Council advisor, **Betty Stewart-Crossan**, the Student Council has worked very hard in making sure Southwest's "Spirit" stays at its best. We can definitely say that the Southwest Student Council is a very "Spirited Bunch."

BETA CLUB

A Shining Star Of Excellence.

The Southwest chapter of the National Beta Club participated in a variety of activities in 1992 as they strived towards excellence. This honor society requires a minimum grade point average of 3.5 from its 122 members, and is dedicated to the bettering of its school and community.

Led by **Mrs. Gwen Bell** and **Ms. Judy Moore**, along with officers **Karla Nelson** - President, **James Robinson** - Vice-President, **Carla Rhyne** — Secretary, and **Terrance Smith** — Treasurer, the Southwest Beta Club has a record of service and leadership. The motto, "Let us lead by serving others" epitomizes the goal the club is determined to reach. Through activities such as bringing goodies for American Education Week, making Easter baskets for a nursing home, and donating items to the Macon Rescue Mission, the club hopes to bring a change for the better to the Middle Georgia area. Another project was Military Mail Call in which 287 letters were sent to service men and

women all over the world. They also contributed \$683.09 to the American Cancer Society.

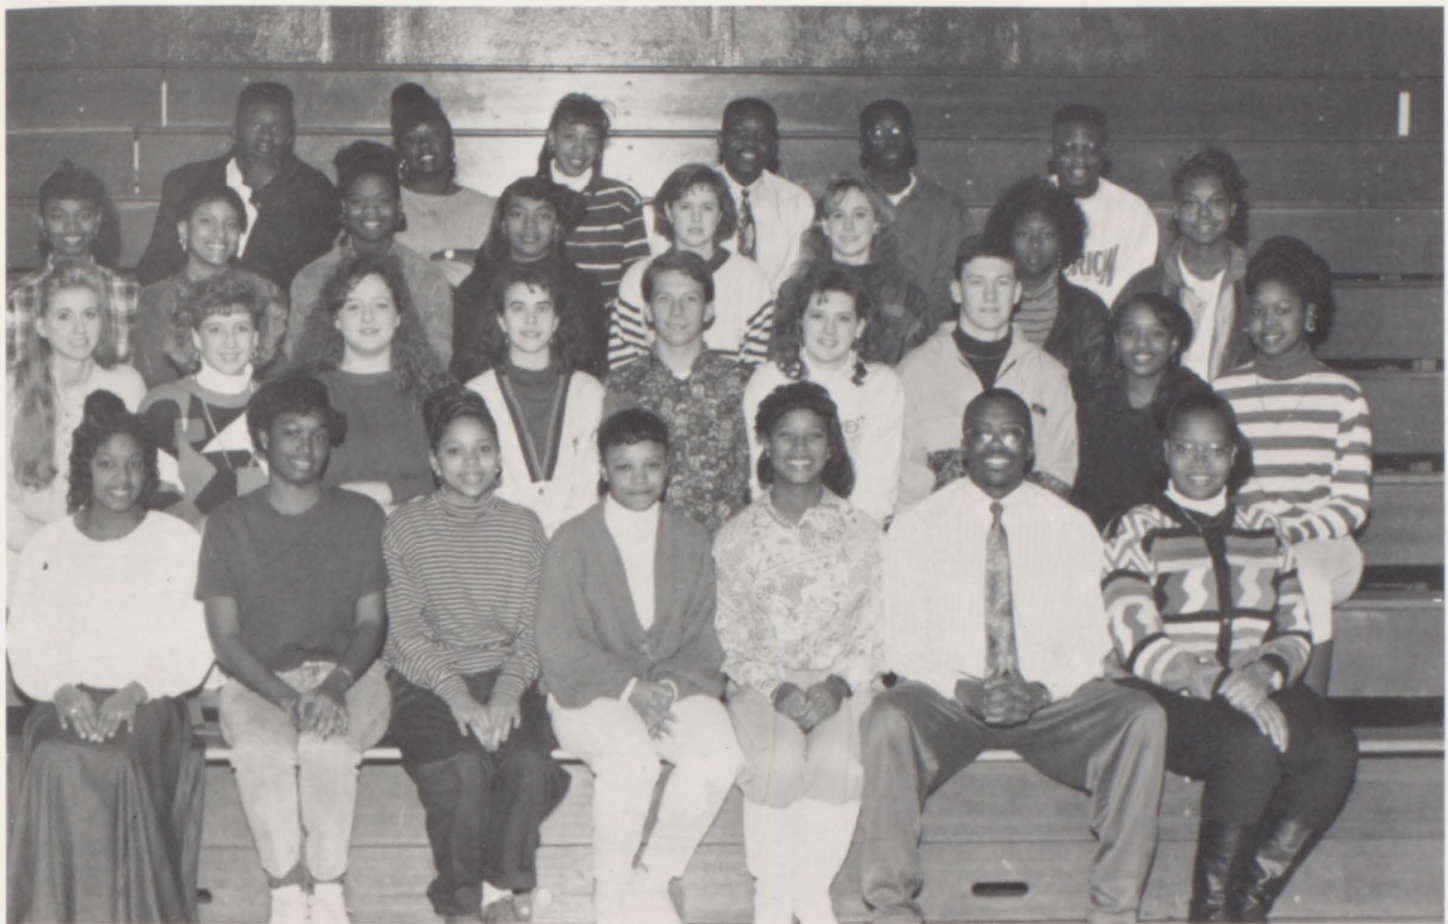

At the State Beta Convention in Atlanta, **Karla Nelson** presided as the State Beta Secretary. The group also participated in several competitions. Winning first place in the talent competition for their rendition of "Amazing Grace," were **Kim Gilbert** and **James Robinson**. **Yasmin Washington** won third place in the scrapbook competition. In the first ever oratorical competition, **Terrance Smith** took first place with his speech "Unity Through Diversity."

The final activity of the year was the annual Beta Awards Ceremony. Numerous awards were given to deserving Beta members, and Ms. Moore gave out her famous Beta Beagles. The event ended with a Senior Spotlight and slide show.

PATRI-ARTICLE

The Voice of Southwest

The Southwest school newspaper, *The Patri-Article*, has continued to inform the students of Southwest of all events that took place during the school year. This year the *Patri-Article* was able to print four newspapers during the school year. The advisor of the newspaper is **Ms. Sue Kalbfleisch**, who is serving her ninth year in that capacity. Assisting Ms. Kalbfleisch were Co-Editors-In-Chief **Patrick Davis** and **Danielle Boyd**. During this past year the staff attended two workshops. Participating in the seminar at Georgia College, the staff heard guest speaker, **Larry Munson**, the Voice of the Georgia Bulldogs. Later in the year the staff traveled to the University of Georgia in Athens to attend the GSPA Convention and awards luncheon. Over the years the *Patri-Article* has been honored by the GSPA for its continuous service of informing the students and faculty of news at Southwest.

The creative Montage staff once again produced an outstanding educational magazine for the enjoyment of Southwest students. First year advisor, **Ms. Cathy Cargill**, did an excellent job

making the magazine a great success. The magazine definitely showed off the artistic culture and intelligence that the students at Southwest represent.

They attended a workshop at Geor-

gia College as well as the Georgia Scholastic Press Association at The University of Georgia. The editors were **Reginald Parsons** and **Keith Hill**.

CHORUS

SW Chorus Hits High Notes Again

The Southwest Chorus, conducted by an experienced director, **Ms. Jeanne Hoskyn**, had an excellent year. The chorus consisted of four talented choirs: *Kyrie*, Women's Choir; *Infinite*, Show Choir; *Opus One*, Advanced Choir, and *The Newest Addition*, Beginning Choir. This young, but well developed, group of singers performed at many functions. Their year first began with a magnificent Christmas Con-

cert. The chorus also attended a GMEA festival as well as a festival in Orlando, Florida. Both of their performances received excellent ratings. The chorus ended their year here in Macon. The Spring Concert that they presented captured everyone's ears and hearts.

PEP CLUB

The Heart of SW Spirit!

During the year, Southwest High school calls upon one club to create fun and spirit filled activities. The Pep Club, sponsored by **Ms. Geraldine Dumas**, is the club that backs the teams and stirs up the spirit!

This year the Pep Club sponsored its annual Sweetheart Coronation, also the Basketball team's trip to Ocala, Florida, and the All Sports Cookout, where this year retirees **Ann Fugate** and **Albert Sharpe** were honored. With the lead-

ership of **Theresa Wyche** (Pres.) and **Beth Veal** (V-Pres.), the Pep Club has once again proven itself to be the heart of SW spirit.

Y-CLUB

Promoting Standards of Christian Character.

The motto of the Y-Club is to create, maintain and extend, throughout the home, school, and community, high standards of Christian character. The community projects undertaken by this

year's members consisted of Easter baskets for the Children's Home, baskets for the needy at Thanksgiving, and goodies for a nursing home at Christmas. Under the leadership of **Ms. Ida**

Jordan, the club participated in many school projects. During American Education Week the club provided refreshments for the teachers. They also decorated the school's Christmas tree.

The leaders for this year's club were: **Christy Jones** as President, **Maria Kitchens** as Vice-President, **Ginger Wilder** as Secreata-ry, and **Staci Hunnicutt** as Treasurer. The Spanish Club has made use of the new language skills they have learned by fluently speaking with natives that live in the Macon area. The club of- ficers did an excellent job of keeping the members busy. **Tanya L. Hum- phries**, first year advisor, made it pos- sible for the members to experience Mexican culture and food. They attend- ed functions at various restaurants in Macon, including dinners at Polly's La Mesa and El Sombrero. At these din- ners they were able to use their new language by ordering their meals in Spanish. They also enjoyed eating the Mexican cuisine. This club is one that combines having fun and learning at the same time.

LATIN CLUB

The Latin Club is a club created for the enjoyment of the students. Several times during the year the club met for an evening of dinner and fun. Due to the impossible schedule of its advisor,

With the help of **Hal McCord** and **Bryan Passante** the group made an impressive second year debut at the City

they gave food baskets to needy families, donated toys to the children's ward at the Medical Center and presented a puppet show for which they received a certificate of appreciation. The club

also donated money to the American Cancer Society. At school they donated tokens to staff members, helped co-sponsor the A.P. Calculus Test, and tutored students after school.

MATH TEAM

$$Y = MX + B$$

Not many people can identify with the equation $Y=MX+B$, but all of the students on the Southwest Math Team know it and are able to solve it. After a year of equation solving, the team rep-

resented Southwest well at the two Bibb Co. Math Meets, the Macon College Math Olympics, the American High School Math Exam and the Georgia Mathematics League Contest. With the

help of **Ms. Judy Moore**, **Ms. Carol Taylor**, **Mrs. Gwen Simmons**, and **Mrs. Alice Dickey**, the Southwest students were able to compete in all these events with ease and pride.

Making a Move on Southwest

The Future Homemakers of America Chapter I under the leadership of **Mrs. Janie Wach**, started the year off by arranging for and serving refreshments during Parent-Teacher Conference Day at school. They also served as hostesses for the event. In November, the club sold candy to raise money for their upcoming activities.

At Christmas, the faculty and staff was remembered with cards and favors. A Christmas party was held at school for the FHA members. Later in the year the members attended a breakfast at Shoney's which gave them a chance to eat out and to develop their social skills. the Blind.

The club was led this year by **LaTonya Raines**, President; **Mark Brown**, Vice President; **Tammy Willis**, Secretary; and **Carolyn Gilbert**, Treas-

urer. The Leo Club definitely show their caring spirit by helping those at the Blind Academy and lifting the spirits of those who are less fortunate than we are.

PEER COUNSELORS

Students Who Care

As students confide in one another, they learn that the problems and feelings they have are shared by others. The Peer Counselors, advised by **Gail Langely**, realized this as they attended

seminars once a week to learn how to better serve their fellow students. This program serves as an extension for guidance services provided at school. As reward for their hard work and ded-

ication, they were given certificates at an awards luncheon they attended at the Olive Garden. As Southwest strives to excell, support is an important factor.

The Art Club is full of great artists as well as generous caregivers. The club is advised by **Dannah Graham** and **Gregory Cubit**.

On Valentine's Day the club visited a

nursing home to offer treats to the residents.

The members also sponsored the annual Womanless Beauty Pageant which was held in March. The project proved

very successful in raising money for the club. In May the Art Club hosted its annual Art and Photography show; cash prizes were presented to the winners.

members to focus not only on their instruments but also their academics. Members are given an Omega Phi Delta patch to wear on their uniforms in recognition of their academic achieve-

ments as well as their superior musical performances. Band director, **Oscar Jackson**, feels students should be recognizee for academic as well as musical ability.

S TUDENT LIFE

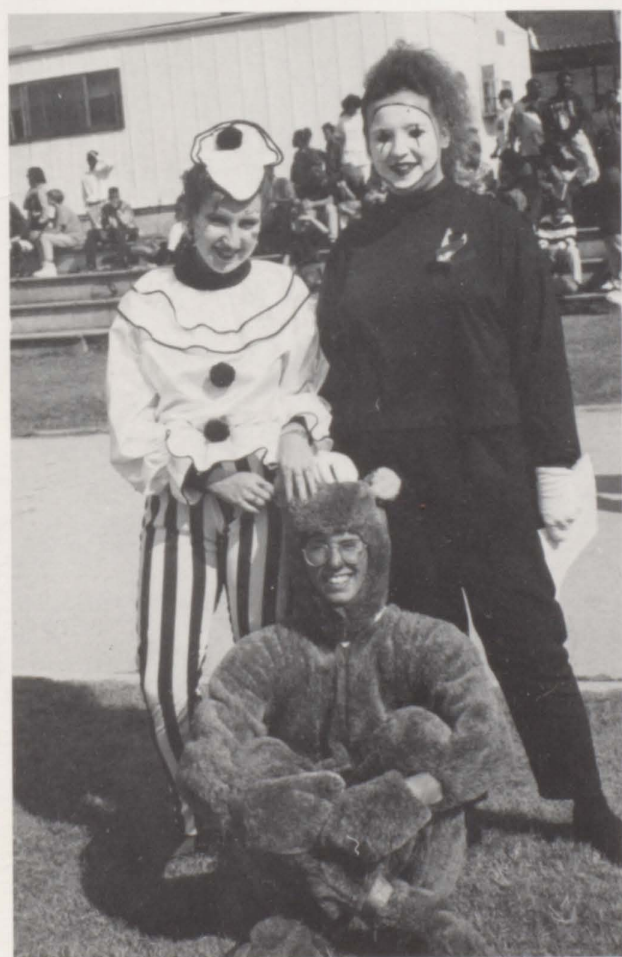

Southwest "Spirits"

The week before Halloween, members of the Southwest Key Club, also known as the Goofy Goblins, collected money to go towards the Children's Hospital of Macon. On the final day of collecting donations the Goblins showed their true identity by dressing up in their goofiest costumes.

The Key Club member who raised the most money for the Central Georgia Youth was **Brandee Hancock**. **Jolene Slaughter**, who was a high spirited clown, was recognized for having the best costume overall. Some of the other Goofy Goblin costumes ranged from dinosaurs and bears to M&Ms and pumpkins.

Another Great Affair

This year's Sweetheart Coronation turned out to be another great affair. **Mrs. Dumas**, the advisor, coordinated the affair of approximately forty-four girls. The Jazz Band, led by **Mr. Oscar Jackson**, performed for the ceremony, which was sponsored by the Pep Club.

Tonya Long was crowned Miss Sweetheart by last year's winners. Members of the court included: 9th-**Kwanjula Seldon**; 10th-**Deliha Payne**; 11th-**Roshanda Moore**; 12th-**Latasha Story**. For raising the most money for the pageant, Kwanjula Seldon was crowned Miss Finance. First and Second Runners-up, **Rossie Fielder** and **Erica Maynard**, also received trophies for their fund raising efforts.

SAY IT WITH

Style

As the years come and go, some things stay the same but fads and fashions are constantly changing. The students at Southwest express their individuality with enthusiasm and charm.

There were many new looks on campus this year including ribbed shirts, Hilfigers, and pleated skirts. We also got back to the basics with Polo, Tretorns, and colorful boxers. Then there were some who stuck to the original, bluejeans and Nikes!

As students change, their likes and dislikes change, also. As we all get older our styles will adjust to display our individuality and the persons we are!

FASHIONS

Guys or Dolls?

Sexy legs, manicured nails, and teased hair-do's, what more could you ask for in a guy? You missed these things and more if you didn't attend the Art Club's Second Annual Womanless Beauty Pageant, under the direction of **Dannah Graham-Minton** and **Greg Cubit**.

There were twelve wo"men" in this spectacular event. The contestants and their sponsors were introduced by mistress of ceremonies **Pat Vinson** : *Ms. Leo, Quintina (Quinton) Baldwin*; *Ms. Junior, Victoria (Victor) Goolsby*; *Ms. Montage, Nadine (Nayland) Glover*; *Ms. Vica, Kendra (Kendall) Hall*; *Ms. Football, Santinella (Santonio) Haywood* ; *Ms. Annual Staff, Jodine (Jody) Holtzclaw* ; *Ms. Band, Charlene (Charles) Lucas*;

Showing That Patriot Spirit

This May 15, Uncle Sam, Betsy Ross, and the Liberty Bell graced our halls here at Southwest. The first annual Patriot Day was an enjoyable success as students and faculty members dressed as an intriguing character of history.

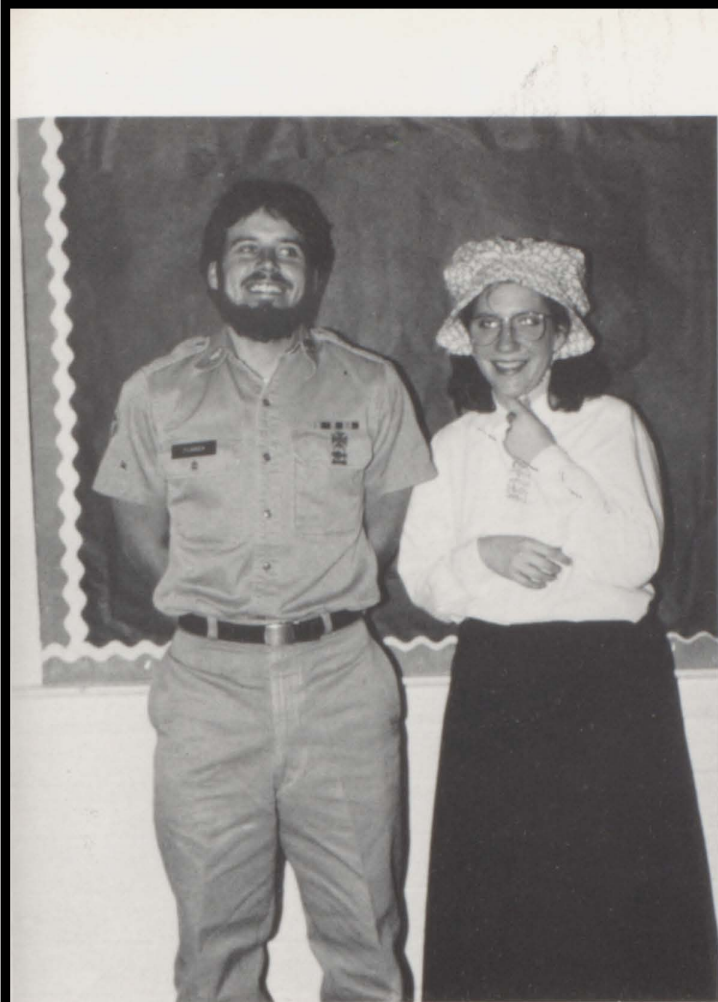

All Social Studies teachers gave their students the opportunity to participate and the turn-out was outstanding. The costumes worn by the faculty and students displayed authenticity and originality. The three winners of the costume contest were: 3rd — **Patrick Hodges** (Johnny Appleseed), 2nd — **Lucretia Clayton**

(Harriett Tubman), 1st — **Warren Ellington** — Frederick Douglas.

Those students who preferred not to dress up decorated posters to display in the halls. The posters, much like the costumes, exuded positive effort put forth by the students to show their Patriot spirit.

Unforgettable!

Once again Southwest hosted its annual Junior - Senior Prom at the Macon City Auditorium. With the prom colors, ice blue and pearl, expertly hung, draped, and set floating, the auditorium definitely benefitted the prom's theme as "Unforgettable." Bob's Mobile Sound provided the music to which the students slammed, jammed, and, of course, swayed to throughout the night.

Senior lead out was one of the highlights of the evening, followed by the naming of Prom King and Queen, which was **Terrance Smith** and **Teresa Whyche**.

Prestige

For the first time, Southwest held its Senior Honors ceremony in the evening. This year the event was held at the Grand Opera House and began at 7:30 PM. The Opera House added a touch of elegance to this prestigious night.

The ceremony began with presentations of academic scholarships and various other awards. **LaTonya Raines** made an impressive display of achievement as she received *Woodsmen of the Year* and numerous other recognitions.

Other than academics, certificates and trophies were also presented to students excelling in art, vocational courses, and music.

Southwest's #1 TOY

Each year Bibb County salutes outstanding educators for a job well done. It also singles out the most dedicated to be named Teacher of the Year. Nominated by their respective schools and selected by a committee, the list of qualified teachers is narrowed down to three. This year's recipient happened to be last year's first runner-up and one of our own members of the Southwest faculty.

A teacher since the age of 19, **Ann Fugate** has devoted her life to educating the adolescents of Middle Georgia. Having taught for numerous years at Dudley Hughes (Bibb Tech), Ballard A, McEvoy B, and Willingham B of Southwest High School, Ms. Fugate's dedication to teaching is to be tremendously respected and admired.

Those students who have had the opportunity of taking Ms. Fugate's ninth grade Citizenship/ Free Enterprise/Geography (H) course can relate to the excellence of her abilities. Even those students who were not taught by Ms. Fugate, but are familiar with the 1992 TOY, benefitted from her caring nature. Ms. Fugate, better known to some as "Fruitcake" or "Fruity," teaches the young minds at Southwest not only book knowledge but also respect, for oneself as well as for others, discipline, and proper grammar. If you've ever asked Ms. Fugate, "Can I go to the bathroom," you know that the reply is always the same: "I don't know, *can* you?"

As well as a great role model for today, Ms. Fugate proves to be an outstanding inspiration for tomorrow. An encourager of dreams and goals, Ann Fugate is the epitome of the perfect teacher — no doubt deserving her title of Bibb County Teacher of the Year!

Congratulations Ms. Fugate! We Love You!

Soaring with Stars and Eagles

Southwest has been blessed with many great minds this year, as every year. Dedicated to honoring its excellent students, Southwest recognizes its highest SAT scorer as STAR student. This year **Cindy Chapman** and **Felicia Taylor** tied with a score of 1140. **John Mathews** and **Trudy Norris** were named by the STAR's as STAR Teachers.

Another top recognition of students is the Macon Telegraph's Golden Eagle awards. Bibb County students are nominated by their schools in specified areas in which they excel to be eligible for the Golden Eagle. Southwest sent eleven outstanding students to participate. These students have definitely brought honor to our school.

Wild and Wacky!

The last full week of school was full of excitement and emotion, especially for the seniors. Designated as Senior Week, the upcoming graduates were busy with a jam packed schedule: rehearsing for honors night, attending informative assemblies, and just being wild and wacky! During the week, the Seniors were also honored with a breakfast at Shoney's and participated in Twin and Tacky/Kiddie Days. Towards the end of the week the excitement was overwhelming as the Senior Chant was heard again and again. Participation was enthusiastic as the seniors looked forward to their last week of high school.

Food and More Fun

The final Friday of the school year was a tremendous day for the Seniors of '92! Following an assembly in the morning, the seniors congregated in the WB lunchroom to enjoy one final feast together. Seated and served by the Junior Guides, the upper classmen munched on a meal prepared by the lunchroom staff.

After the initial dining, a skit was performed by selected seniors to entertain their fellow classmates. **Deandra Richard** and **Marvetta Ammons** narrated a class reunion and presented the future occupations and interests of their friends - the scenes were surprising, but could prove to be true!

Stepping Out!

As the graduation candidates arrived at the Coliseum, the lower lobby grew in anticipation, nervousness, and noise level. Most faces were all smiles — looking forward to their flight from high school; others were slightly tear-stained as they thought of the memories and were reluctant to let go.

Led by the Junior Guides the paired line of blue gowns marched proudly in front of the audience and waited to receive their hard earned diplomas. **Lashandia Griffin** began the ceremony by leading the Pledge of Allegiance. Welcomed by **MarVetta Ammons**, the senior class grew nearer to becoming graduates. Valedictorian, **Cindy Chapman**, addressed her classmates on the importance of friends, memories, and the future. **Karla Nelson** followed Cindy to the podium as second speaker, Salutatorian. Elected Senior speaker, **Terrance Smith**, also addressed the class as he spoke of family and spiritual values.

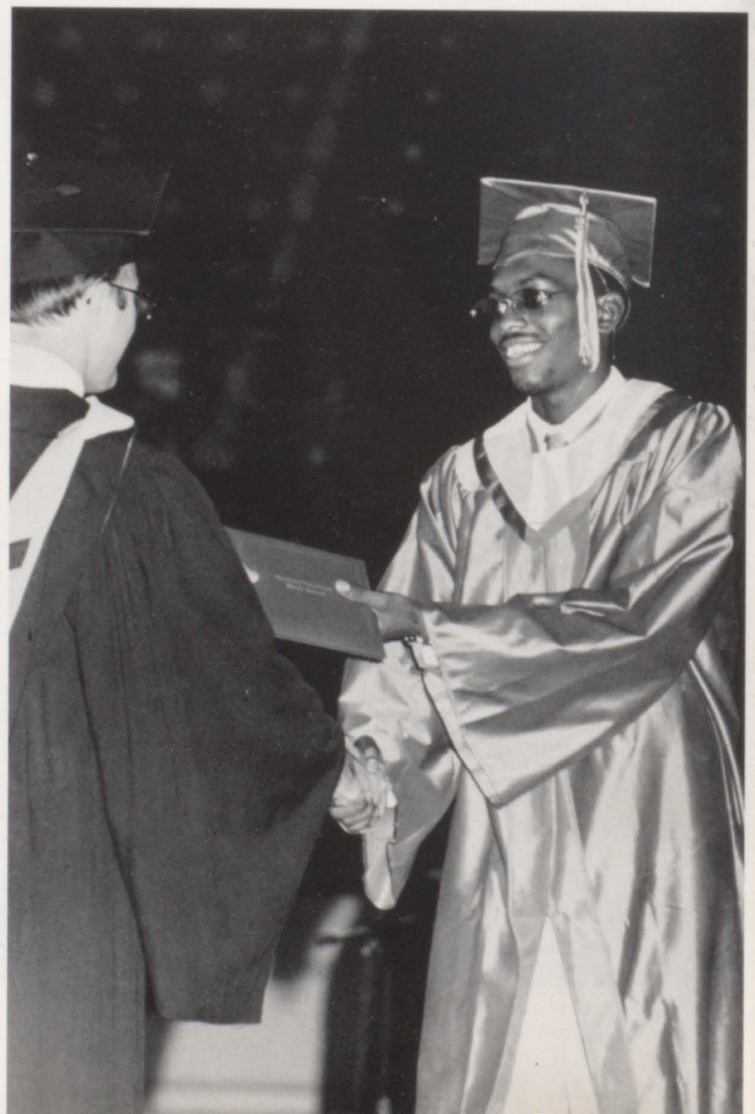

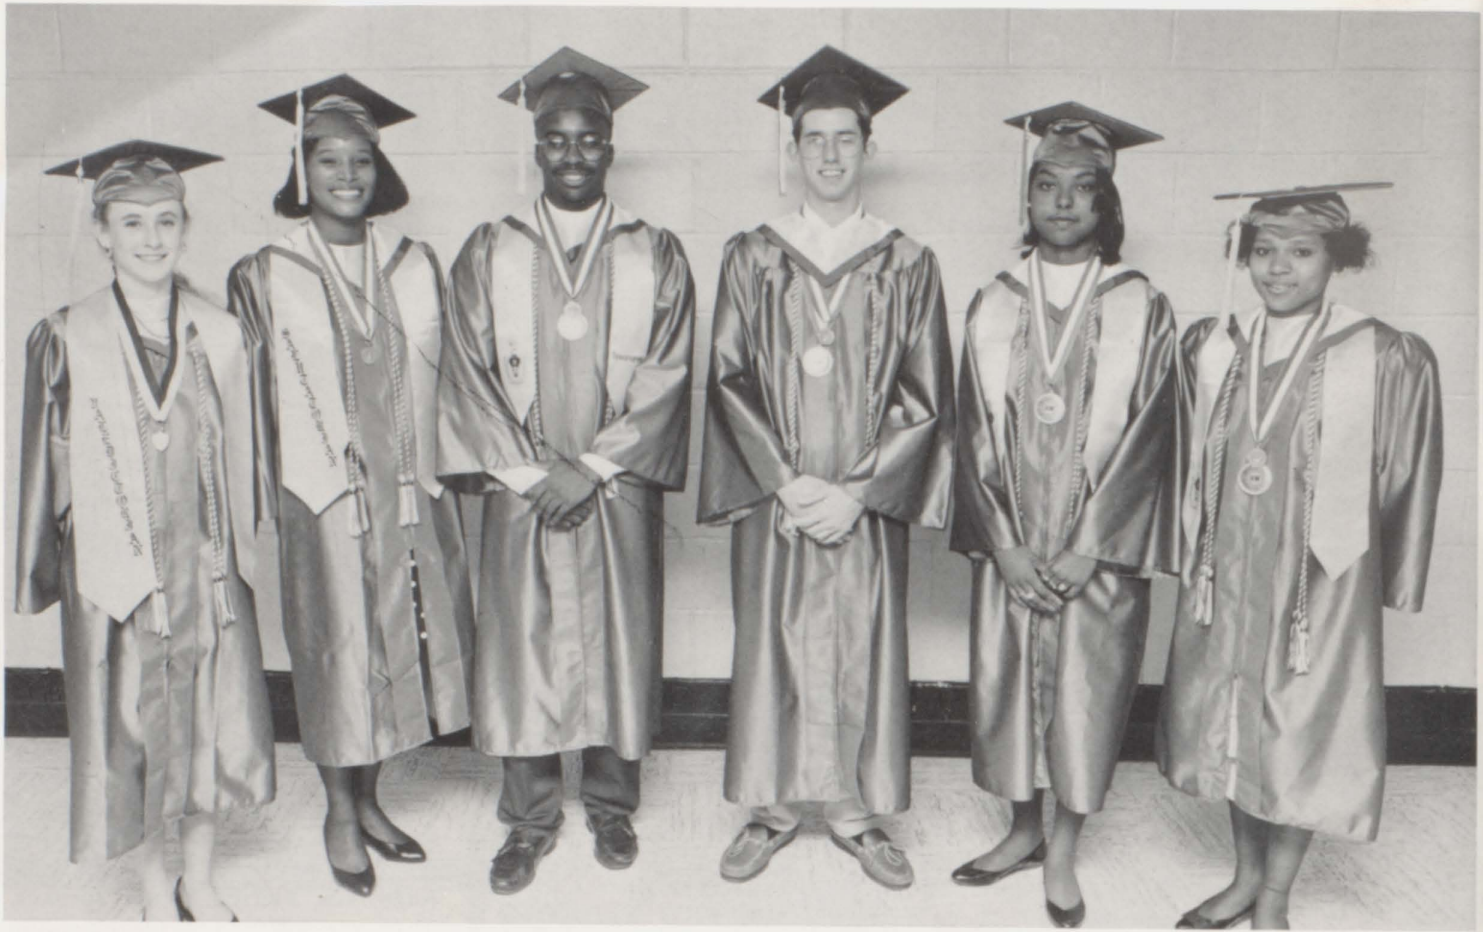

Proceeding the speakers, the Senior Class was recognized by Board of Education member **Don Hadaway** as having met all necessary requirements for graduation, and therefore becoming the 1992 Graduates of Southwest!

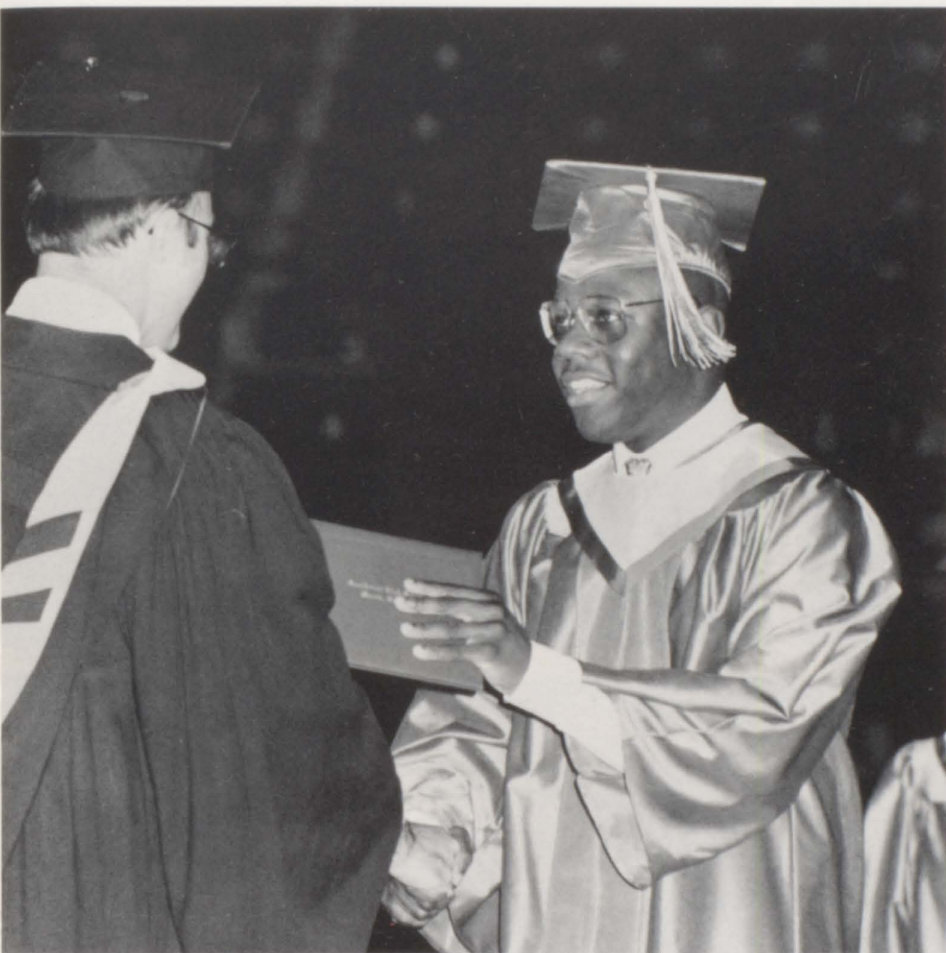

After the closing remarks by **Jody Holtzclaw**, the graduates performed their Senior song, "It's So Hard to Say Good-bye (To Yesterday)," for the final time. Marching off of the Coliseum floor brought mixed emotions: excitement, fear, joy, sadness, and triumph!

After the diplomas were distributed, departure from the Coliseum was slow but steady as these young people stepped into the world — on their own!

Hail to the seniors, Hail! Hail! Hail!
There's nothing that we cannot do!
Got that Spirit! Mighty, mighty Spirit,
Seniors Do!
Never on bottom, always on top,
Once we get started, we never, never stop!
Hail to the Seniors, Hail! Hail! Hail!
There's nothing we cannot do!
Hail to the class that's finally through,

HAIL TO THE CLASS OF '92!

AY IT WITH

PRIDE

The playing of our National anthem, the American flag blowing in the breeze. . . Symbols of pride in the United States. With the raising of the flag and the rendition of the National anthem, you can feel excitement rush through your body as you stand to show that you're proud to be an American. This same kind of pride is found at SW when our athletes compete, the band marches on the field, or one of our students receives an academic honor; we love to boast that we're the best, and SW is #1! It is said that our Patriot blood runs red, white, and blue here at. . .

We must accept fine disappointment, but never lose infinite hope.

Senior Staff Members '92

Getting the Job Done!

Selected members of the SW student body undertook the responsibility of producing an important publication this year. The 1992 Annual Staff has once again provided the students and faculty of SW a memory book to cherish for a lifetime. The preparation for this year's book began before the convening of the school year. At Georgia Tech, members of the annual staff were introduced to layouts, croppers, gutters, and intricate computer programs — tools necessary to create the yearbook. Being a fairly new staff, the members still toughed it out and got the job done as they have produced the book in your hands.

Saying Good-bye to Our Fruity!

The *Spirit of '92* lost a very important member of its staff at the end of this school year. **Ann Fugate** has been the advisor of the SW yearbook for the past seven years. Since she has taken the reigns, Southwest has produced an award winning book for the past five years.

A teacher of 32 years, Ms. Fugate has dedicated a numerous amount of hours to education. However, none of the past 25 can total the enourmous amount of time and effort she spent in the past seven years devoting her time to the yearbook. Most people probably don't

realize the time, energy , hardwork, and dedication necessary to produce an immaculate book such as the SW annual. Ms. Fugate's schedule began upon her arrival to school at 7 AM, and most days did not end until 5 PM.

Her abilities and skills as a teacher and advisor are tremendous, so many times she has gone beyond the call of duty. Ann Fugate has left her mark on Southwest High school, and our lives. We hope that next year's staff and advisor can carry out Fruity's legacy. Good luck guys, because her path is difficult to follow and her shoes are hard to walk in.

Ms. Fugate,

To the teacher we've all grown to love, who has stood by us through the good and bad times.

You have taught us more than book knowledge, you've taught us how to work hard for what we want, no matter how tough it gets. You have been greatly appreciated throughout the years that we have all known you! We can't say enough for our appreciation.

Throughout this year, we've put up with all kinds of attitudes, but we have all of the good times to go by! As you leave, you will leave an impact on our minds. We are sorry to see you go but we know deep down inside that you will never leave our hearts!

It's Been Fun!

At the closing of last year we were approached with the idea of being the editors of the *Spirit of '92*. After a little deliberation, we decided that since the task was such a major one, and our schedules all ready demanding, we would tackle this job together.

Our school year began in August when we, **Ms. Fugate**, and five other staff members attended a workshop at Georgia Tech. Here is where we developed the theme and skeleton of the book. From there everything went downhill; of course, with an occasional bump, or two, or ten, suffered along the way. For example, the most dreadful was the imminent chance of not having a book because of lacking funds. Ms. Fugate dug in and restricted our budget *very* tightly and we were allowed to produce the book — but, we had a loss of color. Ms. Fugate redrew the senior section so that we could at least have the class pictures in color, everything else would have to be in black & white. — Sorry Guys! Of course there were other mishaps, for example, Diana almost broke both computers and erased the annual off of the disk, and of course Cindy was always there to fix things.

Despite the bad times, we have had many great ones. As editors of the book we have learned excellent lessons of responsibility — and a few other skills, for example, adding a little “bull crap” to copy so that it fits its designated areas and posing for pictures. We've also gotten the opportunity to meet new people and to share in the closeness of

friendships that existed this past year. As the book came to a close we were extremely grateful, yet more so sad. After 3 1/2 years of being on the annual staff we were losing a major part of our lives, and we mean MAJOR! The pressure was always intense, but we stuck it out until the very end.

We are very proud of the work that we and the staff have accomplished. We wish that each of you can flip through the pages and laugh as you remember the times that you experienced this past year, as we will. It was a great experience, and we offer you this book in hopes that you cherish it and never forget the faces, people, and places.

On a final note, we would like to extend our sincere gratitude to the SW faculty who assisted us in our fundraising — “Thank You!” To **Angela, Patricia, and Mandy** thank you for your support of us and our short tempers, you mean a lot to us. And especially to Ms. Fugate, thank you for always being there to help us out, as you did, often, and being our friend. We love you dearly, and we'll miss you more!

Oft in the stilly night,
Ere Slumber's chain has bound me,
Fond Memory brings the light
Of other days around me;
 The smiles, the tears,
 Of boyhood's years,
The words of love then spoken;
 The eyes that shone
 Now dimmed and gone,
The cheerful hearts now broken.
